YOUTH ADVISORY COUNCIL

Do you feel heard by the older adults around you?

Let your voice be heard and be a part of the change!

The CCSI YAC is a space created FOR YOUTH, BY YOUTH for those aged 16 to 30 with a variety of lived experience in systems: behavioral health, child welfare, juvenile justice, and others. The YAC works with city and state leaders and community supporters to improve the life and situations faced by youth in mental and emotional health systems.
